MINUTE ORDER IN CHAMBERS XXX

On September 11, 2007, this Court issued an order directing that a Rule 16 case management conference be scheduled in this proceeding, and further directed the parties to file a joint case management report not less than seven days prior to the case management conference (#263). At a subsequent hearing, counsel for plaintiffs advised the Court of their concerns regarding compliance with the case management order, since they are not in possession of their client's original files (#272). The Court determined that notwithstanding these concerns, plaintiffs' counsel can participate in the case management process by referring to documents on file with the Court. *Id.* The Court further ordered the parties to meet and confer and make a good faith effort to comply with its order. *Id.* Thereafter, the case management conference was scheduled for Thursday, October 11, 2007 at 10:00 a.m. *Id.*

On September 28, 2007, the parties filed a document styled, "Joint Status Report re Case Management Conference" (#298). This documents fails to comply with this Court's prior orders governing the preparation of the case management report, and it is evident that the parties failed to meet and confer in good faith as ordered by this Court.
